CLUB APPLICATION

Dear club applicant,

You can send your application via Secure Mail or deliver it to the daycare centre manager or playground staff. That way you can learn more about the activities and discuss any questions regarding the application process. You can also post the application to the playground you are applying to. Find a list of all playgrounds with their contact details here: <https://www.hel.fi/en/childhood-and-education/playgrounds/playgrounds-by-region-and-on-the-map>

Consent to using the electronic service

I give my consent to using the electronic service

By signing in to the Edlevo e-service, you give your consent for the e-service and for receiving the decision in electronic form. After this, all your payment and other decisions concerning your child's early childhood education and pre-primary education will be delivered in Edlevo. You can sign in to Edlevo e-service at hel.fi/vakapalvelu or via the Edlevo mobile app, which can be downloaded from Google Play and the App Store. You can sign in to the Edlevo e-service using suomi.fi e-Identification. Remember to update your contact information in Edlevo. When you update your contact information, the information will also become available for the early childhood education or pre-primary education staff. The Edlevo e-service is available in Finnish, Swedish and English.

Learn more about it on the hel.fi website at <https://www.hel.fi/en/childhood-and-education/early-childhood-education/applying/electronic-service-edlevo>.

If you or the child has a non-disclosure agreement for personal safety, the decisions will be sent via secure email.

Your customer data will be registered in the customer data register of the City of Helsinki's Education Division's early childhood education services. The register description can be found in Finnish at: <https://www.hel.fi/static/liitteet-2019/Kaupunginkanslia/Rekisteriselosteet/Kasko/Varhaiskasvatuksen%20asiakastietoseloste.pdf>
