

## Changes to connections to Kalasatama Health and Well-being Centre

There will be changes to bus routes in August. In September, a direct connection to the Health and Well-being Centre will be opened through the REDI shopping centre.

### Changes to bus routes starting from 13 August

- The stops for **routes 50 and 59** will be moved to the front of Kalasatama metro station, below the railway tracks. The routes will run to Sörnäistenniemi (no longer to Herttoniemi).
- **Route 551** will run to Kalasatama via Pasila. The route will continue all the way to Herttoniemi.
- **Route 55** will run to Kalasatama via Arabianranta.
- **Route 56** will run from Kumpula to Kalasatama.
- The temporary **route 26** and **route 58B** will be discontinued. **Route 58** will continue to run as usual.

## Directly to the Health and Well-being Centre from the metro starting from 20 September

- There will be an accessible route from the **metro station** to Kalasatama Health and Well-being Centre through the REDI shopping centre. The REDI shopping centre is scheduled to open on 20 September.
- The stop for **routes 16, 551 and 58** on Itäväylä will be moved closer to the REDI shopping centre. There will be an accessible route from the bus stop to Kalasatama Health and Well-being Centre through the shopping centre.
- The REDI shopping centre has **parking facilities**. At the same time, the temporary parking space on Capellan puistotie will be closed.
